SHE FINALLY MADE IT

By-Nila M. Wilson copyright 5-2-2013

When she entered that country,
where there is no night,
and the things of the world,
faded from sight,
as all her loved ones,
come into view,
there's such rejoicing,
she's made it through.
She's finally made it,
oh, the look on her face,
she bows to thank Jesus,
for His amazing grace.
To the Father and Spirit,
she'll sing endless praises.
The battles are over,
momma finally made it.
